THE PLAY'S THE FLING

I'm a professional actor, and I'm lucky enough to have been working in theatres in the West End for the last few years. I may not have been cast in a leading role yet (although I have my fingers crossed for the future!), but six months ago I realised that you don't need top billing to gain fans!

I'd been working in a big-name production in one of the major theatres - that shall remain nameless - in Soho for a number of months, playing a minor part that didn't have many lines, but I was on stage for quite a lot of the play. Because of this, I am always able to scour the audience without it putting me off or affecting my performance. One particular evening, I spotted a cute brunette sitting in the second row and, although it's difficult to be sure, I could've sworn she kept grinning at me. I mentioned it to my mate backstage, who told me I was dreaming, but thought nothing more of it. That was, until I went to leave the venue half an hour later.

Whenever there is a big named actor starring in a production, it's normal to find fans waiting for autographs at the stagedoor, but as our leading man had already gone, I was surprised to find someone still hanging around outside.

I was even more surprised when I realised it was the pretty girl I'd spotted in the audience earlier. She was just as pretty close up - a bit overmade-up, like she was trying a bit too hard to impress - and shaking like a leaf. She introduced herself as Samantha and said she'd wanted to meet me in person, but was extremely nervous. It seemed only natural to invite her for a drink, and once we'd settled in a bar she seemed to relax somewhat. We ended up getting on like a house on fire, flirting outrageously with

each other, so when closing time was called, I decided to invite her back to my place. Nervous again, she worried that I'd think she was a nutter or a slut. "It's just nice to have a fan," I said. "Especially a cute fan."

As soon as we stepped inside my front door, she pushed me up against the wall of my hall and snogged my face off. I grabbed her ample tits - two big reasons she'd caught my eye in the first place. She moaned so I pushed it further, unbuttoning her blouse and sticking my head between them, then slipping a hand up her skirt between her thighs. I stopped a few inches

felt the wetness start to soak in even more. I grabbed the front of them and pulled

them down, making her gasp. Then I helped her out of them and said maybe I'd keep them as a souvenir.

"And I thought I was the nutter," she smiled. I just took a deep sniff of them, then went back to fingering her, flesh-on-flesh this time.

The more I breathed in the turned-on smell of her pussy, the harder I diddled her hole. I had three fingers inside and even when she squeezed them so

PRESENT - PERFECT!

Dear *Mayfair*,
I just wanted to congratulate you on the latest edition 50/05. In my view the closest to perfection I have seen in a top shelf magazine for years.

Each girl, in particular Holly Kent and Briony, were simply stunning. Even the *Mayfair* classic girl of Melanie Reeves was top drawer and brought back the memories of seeing her first time round when as a teenager finding porno mags in hedges was the norm. Please pass my congratulations to all concerned in the making of the magazine and please don't let your high standards slip.

With thanks,
Michael, Tunbridge Wells.

short of her snatch, until she moaned and wiggled her arse a bit, so her skirt rode up and my hand touched the warm, moist crotch of her knickers.

I began to finger her through them, springing her boobs out of her bra so I could get an eyeful and take a suck on her nipples. And as I rubbed and teased her, I

tight I couldn't part them, I kept pistoning away inside her. Then, as I felt her begin to orgasm, I sunk them in really deep.

She seemed to be lost in the pleasure of it, eyelids flickering, breathing jagged and body trembling, so I kept plugging away until the ripples of her pussy faded out. Then she opened her eyes and looked at

me, like she'd suddenly remembered who was doing her, and couldn't get the words out when she tried to speak. I shushed her then gave her my come-soaked fingers to suck on.

My cock was so hard my jeans were threatening to cut off my circulation, so I got it out – Samantha's eyes widened and she sucked even more strongly on my fingers.

It was a warm night and the room was feeling a bit stuffy so I opened the door to the Juliet balcony in my flat. As an actor, a bit of exhibitionism doesn't bother me!

Samantha leaned back against the rail, and reached down for my cock, hooking a leg around my back, playing my tool over her labia. We kissed so passionately, I barely registered the moment when she fed me into her hole, but my dick registered it and started to thrust instinctively.

Either she was really orgasmic or I'm a better shag than I thought: everything I did, no matter where I touched her – sucking her nipples, fondling her arse or angling myself more against her clit – got her groaning loudly with pleasure. And no, she definitely wasn't faking – I may not be Oscar material but I know enough about acting to tell the difference!

Her leg behind my back was slipping so I hooked it over my arm, then felt the other knee start to buckle, so my prick was buried inside her.

"Hang on tight," I said and she grabbed me around the neck, with new strength, snogging me again as I pummelled into her again and again.

I knew that, in this position, I wouldn't last very long so I hammered away into her dripping snatch as hard as I could, making her gasp and yelp with pleasure. I felt my jizz rising, so I pulled out of her tight snatch and spurted my cream all over her pubes and the inside of her legs.

She slumped down to her knees so my cock was right in her face, the spunk dripping off onto the ground. She looked at it longingly, like she couldn't wait to get her lips around it, but I told her to play with her sloppy, spunky snatch for me, until I was ready to stick it in her mouth.

She stayed the night and we had a couple more fucks, but I decided against seeing her again. My mate reckons that I'm mad, that laying a fan has laid me open to getting stalked or ending up in a kiss-and-tell if I get more famous. That's a big if, I reckon, and I've not seen Samantha again – maybe I just didn't live up to her fantasy. Plus, I guess if she's planning a kiss-and-tell, I've beaten her to the punch by writing in to you lot!

Seth, Covent Garden.

"I HAMMERED AWAY INTO HER DRIPPING SNATCH AS HARD AS I COULD..."

DIRTY HARRY

If you were to ask most men what their ultimate fantasy would be, you could guarantee that most of the time it would involve having more than one woman in their bed! Most of the men I know who have brought up the topic of threesomes to their partners have admitted that they'd love the chance to bed two girls, but as soon as their woman suggests they might be up for a threesome if it was with two guys, the men quickly go off the idea. Funny that. Still, none of this bothered me or my husband, Harry. We'd already had a threesome with his mate, Mike, a few months back and it was fantastic – one of the greatest sexual experiences I have ever had. My husband was great about it. He wasn't at all jealous watching his mate get head off me. Since he was so good about it and it was his birthday coming up, I figured I'd give

AU THATCHUREL!

Dear *Mayfair*,

While I'd like to extend my heartiest thanks and appreciation to all the wonderful girls who happily show off their spectacular charms in your magazine month in and month out, as a reader who remembers the magazine back in the 80s, can I please add my voice to the number of your readers who've written in to express their love for a bit of pubic hair on a model? In your latest issue the wonderful Krystal Webb and the super cute Holly Kent are both sporting pubes, and as far as I'm concerned, they always add a certain allure to a beautiful young lady. After all, what man can't recall fondly the first time he got to slip his hand inside a young lady's panties, and felt his fingers come into contact with her pubic thatch – that delightful feeling that sends shockwaves of pleasure through both the guy and the girl, especially if it's both their first time? I'll certainly never forget my first brush with female pubic hair, and love being reminded of it whenever one of your girls lets them grow!

him a special surprise and try and return the favour. I soon started to think about some of the sexy female friends I have that might be willing to join me and Harry in bed for a night of loving and although I mulled over a few possibilities for a while, my smutty thoughts kept leading me back to this one girl, Leanne, that I used to work with a couple of years ago.

First, let me get one thing straight. In fact, I've only ever had one sexual experience with another woman and that was with this girl Leanne. We used to hang out quite a lot together and after one particularly wild night of clubbing, ended up back at hers, a little worse for wear, snogging and groping on the sofa.

After much digging around, I finally found an old email address I had for her and thought what the hell, I might as well give it a shot and see if she replies. Sure enough, the next day I booted up my computer and there was her reply sitting in my inbox. She said she was definitely up for meeting again and seemed really pleased to hear from me. We arranged to meet for a drink later that week and I couldn't wait to see her.

I'd often thought back to that drunken fumble with Leanne and wondered what it would have been like if we'd taken it further and now I hoped we'd get the chance. I knew she fancied me but at the time I never had the guts to take it any further. The difference was, now I did...

I spent ages getting myself ready; before I headed out to meet Leanne I made damn sure I looked my best. I wore a tight little skirt, push-up bra and loose fitting blouse to show my figure off at it's best. She was already sitting down at the table when I arrived and I stopped at

Can you think of a finer way to kick off *Mayfair's* 2016 campaign than with a super cute debutante? We certainly can't, so that's why we've done just that!

"Well I'm honoured," she beams. "I've always wanted to be in *Mayfair*, but I thought my boobs might be a bit small for you..."

Why we're a broad church here, Mia – and we're certainly not going to say 'No' to a girl as lovely as you just because you don't happen to be all that top-heavy! And besides, we've repeated the mantra that 'size isn't everything' so many times, we've almost come to believe it ourselves!

the door and gazed at her before I went in and sat down. She looked gorgeous, I couldn't wait to get her between the sheets. My husband would be lucky to get a look in at this rate.

Sitting opposite her, I gave her a kiss on the cheek and we were soon reminiscing about the past and catching up.

"What made you suddenly get back in touch with me?" she asked as she lit another cigarette and smiled sexily. "Well," I began, slowly taking a deep breath. "I've often thought back to that drunken night we had, remember that?"

"How could I forget?" she replied. "I wish we'd stayed in touch after that. I really fancied you. You still look fantastic. I wish we'd had the chance to do more..."

"Actually, that's what I was going to ask you about," I answered. "I don't know what you'll think about this idea but it's my husband's birthday soon and I wanted to give him a very special present..."

"Go on," said Leanne curiously. "I think I

him up with breakfast in bed followed by a blow-job under the sheets.

I'd told Leanne to arrive dead on 9:30 in the morning and gave her a set of keys to let herself in. The plan was for her to arrive just as I was giving Harry head and sure enough, as I had my head buried in Harry's groin, with the bell of his hard cock in my hot mouth, I heard the bedroom door swing open and there stood Leanne.

"Happy Birthday Harry," she smiled. "I'm your birthday present."

I'll never forget the expression on Harry's face, he couldn't believe his luck. "Pleased to meet you," he laughed. Leanne slid into bed next to him while I continued to take care of his raging hard-on, taking turns to tease his engorged cock with the tip of my tongue before pushing his whole shaft into my throat while I massaged his throbbing balls and squeezed his firm arse. It was such a turn-on to look up and see him kissing Leanne while he removed her bra and tweaked her stiff nipples and mauled her soft breasts.

She was clearly enjoying herself just as

stroked my hair with one hand, while her other wrapped itself around Harry's cock and slowly rubbed his shaft, making him pant hard with lust.

"I want to see you 69 now," Harry requested as he lay back on the bed and began masturbating. Leanne climbed on top of me and buried her face in my now very wet pussy as she lowered her smooth

backside and hot snatch onto my tongue. Soon we were both lost in the musky aromas and fleshy folds of each other's tight fannies and we were both so turned-on by this point I think we could have given each other head for hours had Harry not stepped forward and pushed Leanne off me. He was wanking furiously and shouted, "Kiss each other, I'm gonna come on your faces!"

Not wanting to disappoint the up birthday boy, Leanne and I sat side by side and flicked our tongues together, inches from his cock. That was it for Harry, and he shot a stream of spunk over our faces.

After that Leanne and I teased him back to life by licking his come off each other and rubbing our cunts in his face. His resistance was low, understandably, and within minutes his cock had sprung up and was eager for more debauched fun.

"Come over here and fuck me," beckoned Leanne, laying on her back with her legs parted. He didn't need to be told twice and got on his knees between her legs, pushing his cock deep inside her while I kissed Leanne's beautiful face and played with her breasts.

As I watched Harry plunge himself deep inside my old friend's pussy, I could tell by the speed he was shoving his cock up Leanne that he wasn't going to be able to last long, especially since Leanne was screaming, "Come on, birthday boy, fuck my pussy as hard as you can!" He was so turned-on by the sight of his darling wife kneeling over another woman's face as he fucked her for all he was worth that, without much warning, he withdrew himself from Leanne's snatch and aimed his rigid cock at my pussy as the first jets of hot spunk erupted from the end and splashed in hot jets over my snatch and Leanne's tits.

"That was incredible," gasped Harry as he fell back onto the bed. "Easily the best birthday present I've ever had!"

And this was just the start. Once he got his strength back, we started all over again and spent the whole day sucking and fucking. Harry's promised me an even better present for my birthday and I can't wait - just as long as it involves our new best friend...

Jess, Notts.

JENNY THRILL!

Dear Mayfair,
What a sensational set of pictures of Jenny Laird you've featured in your latest issue (50.05). She really is my idea of a perfect woman - sophisticated in sexy lingerie, but with a look in her eye that tells you she knows just how to get down and dirty in the sack! And that's before I even get on to (Please, God!) her amazing boobs and bum. Frankly she looks like she's worth a million dollars in every single shot, although I have to say the final centrespread, with her delectable pink labia on full show, will live long and hard in my memory! Pure class from start to finish, and definitely worth all the pictures in which she's giving us no flash of fanny at all, or just a teasing hint!

know how this might end."

"I remembered that you do occasionally sleep with men as well as women, right? Well, how would you fancy getting into a threesome with me and my hubby?" I asked boldly, even though I was shaking.

"It would be a pleasure," grinned Leanne. "Just let me know when and where."

Later that week I told Harry that I had a special surprise lined up for his birthday and when the day finally arrived, I woke

much as Harry and I couldn't wait to get my hands on Leanne as well. Harry's eyes nearly popped out of his head when he looked down to see me prising Leanne's legs apart to get my first taste of her sweet pussy. Pushing aside her tiny white panties, I opened up her lips with my thumbs and flicked the tip of my tongue over her stiff clit and took a deep breath, breathing in the honeyed scent of her sweet pussy. Leanne sighed above me and

Yes, we know – there was no Cara Brett in last month's issue, which left a good many of you in high dudgeon! Still, we've done our best to put things right this month, but not only featuring her in the mag, but by sticking on the cover as well. Satisfied?

"I hope so, although to be honest I was a bit upset last month myself!" Cara admitted herself during this shoot. "Coming in to pose for *Mayfair* is one of the highlights of my month, and I found myself at a bit of a loose end a few weeks back. I mean, it's all very well staying in, watching the telly and playing with myself all day long, but I'm much rather do it for an appreciative audience!"

Yes, OK, fair enough – we missed a trick there. We all know how wonderful it is to stay in and have a little play! Still, we've made up for things now, surely, haven't we? You can diddle away to your heart's content!

QUEST...

Never really got the hang of mornings? Then you're clearly doing it all wrong, as this trio of early risers prove all too clearly!

I've always been at my horniest first thing in the morning, which was great when I was in a relationship, but for the last couple of years I've been single – concentrating on my career – so getting laid earlier in the day has been somewhat more problematic. Plus, being an air hostess I keep strange hours, so it's really quite hard to meet people.

Name: MONA
Age: 28
From: UXBRIDGE

Last month, I was working in first class on a flight back to Britain from Kuwait from midnight, which is the most tedious of flights – and eight hours at that. At least the flight was empty apart from a couple in their fifties, a pair of young newlyweds and a lone businessman saving his expenses by catching a cheapy red-eye instead of the over-priced fare he was billing his company for – and a handsome, stylish guy who caught my eye as soon as he took his seat at the start of the flight.

I had been warned never to fraternize or become overly friendly with passengers, which I never had, but given the aching in my pussy every time I glanced at him I decided that rules were definitely there to be broken.

He was about 30, obviously worked out and the twinkle in his eye when I offered him a drink let me know he was interested in having a little fun. We smiled flirtatiously for a few hours, but I wasn't about to make a move if flirting was all it was.

I knew that a blouse button undone and a raised hemline would confirm my suspicions, so after I had done my duties, making sure the passengers were fed and watered, I sashayed down the aisle and leant provocatively over the gorgeous specimen of man, allowing him a heady whiff of my expensive Italian scent.

"Fancy anything else, sir?" I said, putting on my coyest smile, knowing he desperately wanted to stare at my ample cleavage, now only inches from his face.

"Not right now, thanks," he grinned at me, "But I don't

suppose you're available for a drink when we land?"

"I can do better than that, sir," I said stroking my finger delicately down his cheek. "Follow me in a moment or two."

Walking to the rear of the first class cabin without looking back, knowing he would follow, I turned around outside the toilet to find my amorous passenger was already right next to me.

"Good morning, Sir," I whispered and pulled him inside the cubicle by his tie. Like a rabbit in headlights, the poor guy stood motionless as I hoisted up my tight skirt, working it above my stockinged thighs and then my hips, until my bare muff was clearly on view.

"God, you're fucking hot," he breathed in my ear as he kissed my neck and groped my boob roughly. I let out a sigh as my pussy frothed up, throbbing with the anticipation of being shagged.

"You're not so bad yourself," I replied, unzipping his trousers and raising my bare arse onto the sink unit. He fumbled for his cock and dragged it free, rubbing it a couple of times with his eyes fixed on my deep cleavage. Resisting the temptation no longer, he grabbed at the buttons on my blouse, undoing the lot in one movement. As I used my legs to pull the lucky passenger's dick

towards its final destination, he pulled up my bra and buried his head in the soft flesh of my boobs, kissing and sucking the warm, tanned flesh.

I had him where I wanted him now, his rigid meat touching the entrance to my slit. Using my hand to guide it in, I pulled him forwards and inhaled sharply as his dick drove up inside my gooey hole. He began to thrust it in and out, biting my tits and groping behind me for a feel of arse.

In the confined space of the toilet, the sex seemed dirtier somehow, and his banging of my twat became more and more intense. He managed to get a finger into the crack of my butt and dug it into my tight little bumhole. I moaned and clenched my lithe, nylon-clad limbs tighter around his waist, clamping his pumping shaft deep inside me. The delicious feeling of orgasm began to stir deep within me, but I wanted his squirting seed to be the trigger. Even in the confined space of the cubicle, I managed to gently rotate my hips as he humped me, knowing every square centimetre of his dick was getting its own, very personal, pussy massage.

I could hold back my climax no longer and grabbed his balls, causing my temporary lover to grunt loudly and jettison his spunk

straight up inside my throbbing gash. I arched my back as I felt the thick cream fire inside me and my body trembled with pleasure. My thighs began to quiver involuntarily as the first wave of my massive orgasm swept through my muscles. I gasped, panting in time to the heavenly release of tension and clamped the sexy man's body tightly to my crotch with trembling legs.

When I finally left the toilet, a few seconds after my companion, the seat belt warning signs lit up as if on cue, and I hurried to straighten my uniform out and get back to work. My secret lover and I exchanged knowing looks for the remaining few hours of our journey and he discreetly handed me his number as he left.

We've spoken on the phone since then and he has another overnight flight booked for next month, which I'll make sure I'm working on. And until then I'll make do with my faithful vibrator for my morning glory!

I am a bit of a party girl, and my girlfriends and I like to party right through the

weekends. The problem is that most guys who drink and dance all night need to sleep it off the next morning, and when I party I like to keep it going all through the night and into the next morning.

My name is Annie and I am a twenty-something bank worker who is used to burning the candle at both ends. I often work late and the next morning I am still ready to give 100%. I do this by working hard and playing even harder.

Every so often I meet a guy who is up to me and keeps me happy sexually for a while but mostly it is just a one night stand and first thing in the morning they either just roll over or crawl away somewhere to

“I PUSHED MY ARSE BACK AGAINST HIS HARD-ON, AND HE MOANED AS HE RAN HIS TRUNCHEON UP AND DOWN MY BUM CRACK...”

sleep it off.

That was until I met Jake two weeks ago at my cousin's wedding. Jake not only lived up to all my expectations, but that night, instead of me having to beg for more sex he had me lying on my back gasping for air.

It was a first for me, but the icing on the cake came the next morning when I awoke to feel Jake's hard cock poking between my arse-cheeks. With an enormous smile on my face I reached behind me, and, grasping his massive schlong in my hand I began playing with it gently, surprised to feel it growing even bigger in my hand.

Jake stroked my hair, pushing it out of the way so he could kiss the back of my neck. His fingers found my nipples and rolling them between thumb and forefinger he teased the engorged teats sending sensations of exquisite delight throbbing through my whole body.

I pushed my arse back against his hard-on, and he moaned as he ran

his truncheon up and down my bum crack, coating it with my pussy juice. His fingers pinched my nipples harder, making me squeak a little in surprise but the sharp nip from his fingernails only increased my arousal, and as I wriggled back against him he held his cock against my tight anal rose.

As I say, I just love to be woken in the morning for sex... and here was this great-looking guy in my bed, after a wonderful night of drinking, dancing, and sex - and he wanted more! So I relaxed my bum-hole, and pushing back onto his thick knob I had wonderful memories of the night before when I had sucked his engorged helmet right to the back of my throat.

I was so turned-on that my pussy juice was all the lubricant Jake required to push through my sphincter, and in my excitement I began rubbing my clit furiously with my fingers, making my pussy juice trickle out and tickle as my anal muscles gripped Jake's shaft. He waited until I had relaxed them again before pushing his cock further inside my anus, and then he began to move it slowly back and forth.

It was so exciting that I slid a finger inside my pussy and we began moving back and forth and in and out in time with one another. I could

feel his thick cock through the thin membrane that separates both my pleasure tunnels and before long I began to feel my orgasm building. With his fingers plucking my nipples, Jake began banging my arse harder and faster until I could hold off no longer, and as I felt my pussy go into spasm I pinched my clitoris and started to come.

My pussy convulsed around my fingers and I felt my anal muscles gripping Jake's cock tight. Then just when I thought I could climax no longer, Jake began to move his cock in and out more slowly. My pussy clenched hard and my clitoris started to throb so fiercely that my pussy juice began to sprinkle the sheets as Jake slowly eased his cock out of my anal passage.

I lay back gasping as Jake used the en suite bathroom to wash his cock and get ready for the next round. It was the first time ever that I had come anyway near to being sated and I was impressed that Jake

had only being limbering up for the next round.

When he returned I took his freshly washed cock into my mouth to restore its hardness, but I need not have worried, because Jake was back up and running in just a few moments, with his big cock standing upright stiffly and ready for action. I loved his masculine swagger and when he rolled me onto my back and climbed onto me in the missionary position I was not surprised.

I didn't even mind when he took both my hands and held them over my head so he could play with my body without interference. It felt very sexy to be held down while he kissed and licked his way down my body, sucking my nipples hard so they peaked,

“FINALLY HE CLIMBED ASTRIDE ME, PUSHING MY LEGS WIDE AND MOUNTING ME.”

tingling with excitement. Then he moved down to my pussy, separating my sex-swollen labia and licking them with such expertise that I was close to coming without his even touching my clit.

Finally he climbed astride me, pushing my legs wide and mounting me, driving his rigid cock deep inside and filling me with his massive erection. Then he began fucking me for dear life.

I responded in kind, and it was the most satisfactory and memorable sex I have ever had. I raked his back with my nails and he bit my shoulder. Then he shunted into me one last time and my legs wrapped around his

My now ex-boyfriend once described my living arrangements as a clusterfuck, and he was absolutely correct. When I answered the advert for a vacancy in a seven-roomed house share in Manchester, I noted with relief the demand for 'Professionals only'. Apart from the hospital porter, who spent

and down the stairs. Angela confessed that she had been thrown out by her despairing parents after their home had been repeatedly trashed. Angela's grandmother had been forced to follow suit after her house too had been trashed. It was in paying Angela's rent and housing her with responsible adults that she was hoping to instil some responsibility in

his nights masturbating furiously while using his computer to chat to ladies in other countries, the house was calm, quiet and restful. Unfortunately, the quiet people moved out and noisier people moved in. The fat

girl in the room above me might have brought home a different man to her bed every Thursday, Friday and Saturday night but the creaking bedframe and the squeal of delight was always the same. Or at least it sounded the same at 2:30 AM. Sometimes I wondered whether she might break through the ceiling and end up joining me in my room. But it wasn't the fat girl who joined me in my room, it was Angela.

Angela was the breaking point of the house. By day, she was lovely; sweet as could be. By night, whatever else she was doing, it involved running up and down stairs and screaming a lot. Sometimes it was the police running up

her wayward grandchild. The idea backfired. Within weeks, there was only me, the hospital worker and the fat girl left. "Why don't you move out as well?" Clara, a friend at work asked.

"Imagine how boring our chats would become," I joked. But that's where the joke was on me. I wouldn't count myself as a thrill-seeker, and probably wouldn't be studying to be a barrister if I was, but it was exciting to be caught up in the

middle of people actually living their lives. To me, it was a real eye-opener that a fat girl could have more satisfying sex in a week than I had had in a lifetime. I didn't know that a man could masturbate deep into the early hours of every morning and still be normal. It was a real mystery to me why a good girl like Angela would choose to be with men who were clearly ruining her life. But to her, it was a mystery as to why I would choose to be with a man who couldn't sexually satisfy me. "Perhaps I could borrow a bloke from her upstairs. They seem to be able to get the job done."

Angela laughed. "Somehow, I don't think those chubby chasers would be interested in a woman like you."

I'd never heard that phrase before. "You can't say that!" I protested, my years of training having given me a highly-tuned

political correctness.

"You need to loosen up." I'd always had fantasies about me saving Angela. The reality was that she saved me. It started with a knock on the door at 2:30 on a Friday night. Thanks to my fat friend upstairs, I was already wide awake. "Would you like some company?" Angela asked. "It doesn't look like we'll be getting much sleep anyway," she said, throwing her eyes up to the vibrating ceiling. I let Angela in and was surprised to find that she was already in my single bed by the time

I WAILED AS ANGELA FINGER-FUCKED ME HARDER THAN ANY MAN HAD MANAGED WITH HIS COCK...

I'd locked the door. "Problem?" Angela asked, holding my covers open for me.

"No," I said, frowning. I didn't know what was happening here. "I just..."

"Come on, I won't bite." As soon as I got into bed, Angela rolled on top of me and sank her teeth into the nape of my neck.

"Get... off!" I pushed with all my strength but couldn't shift Angela's teeth away from my neck. She started sucking hard enough to give me a love bite. It was so far up my neck that even my highest collar probably wouldn't hide the mark. "Gerroff!" In desperation, I grabbed a handful of Angela's hair and yanked, hard.

She was smiling devilishly after I'd checked myself for blood. "So, you like to play rough? The good girls always do."

"No, I don't want..."

"Of course you don't." Despite pushing on both shoulders, Angela managed to drop her mouth down. Instead of going for my neck, this time she went for my mouth, catching my bottom lip between her teeth before I had chance to turn away. I didn't dare try the trick

with the hair this time, and instead endured something which definitely wasn't a kiss. "Is your lip tingling?" Angela asked, finally breaking off her attack. She sneered down at me, using my hair to hold my head against the pillow. "What about your cunt?"

"What?" I really hadn't been ready for that line of enquiry. It suddenly occurred to me that to a deranged mind, what Angela was doing might just qualify as foreplay. Angela took advantage of my momentary lapse in concentration and straddled me. I found myself pinned under her body.

"Mine is, and I need you to touch it."

"You need me to..."

"Don't be shy. Just do to me what you do to yourself. I know you

masturbate, Laura. So don't pretend you don't. My bedroom is next to the bathroom, remember?" I suddenly felt very hot, my body burning with embarrassment. Had Angela been listening to me play with myself? I'd always been so careful – or so I'd thought. Angela's face was buried in my hair. "Funny how you take two candles into the bathroom but only ever burn one. You do use it, though, don't you?" I groaned inwardly but she knew by my body's reaction that she'd caught me. "Perhaps you'll let me fuck you with the candle sometime? I could lick your clit while it stretches you wide." This time I did groan. I couldn't help it.

This wild child with the potty mouth had invaded the most private parts of me. Not just my bed but the things which I had done my utmost to keep secret. And now she was exploring fantasies that I barely admitted even to myself. "You want me to lick you?" I didn't dare open my eyes but could feel Angela looking down at me. I let my legs fall open a little wider. "Don't be so boring. Tell me what you want."

"I want you to lick me," I said finally. Angela licked the exact spot on my neck which she had bitten. "Not there. Between my legs." I knew what would happen, and sure enough when she moved down my

body, Angela's tongue traced along my inner thigh. "Not there."

"Then where, legal beagle? Be precise."

"My pussy. My clit. I want you to lick them." A second later, I was begging Angela to stop. I was so sensitive that every touch of her lips and tongue felt like a needle piercing my flesh. It was agony. And ecstasy. "Oh fuck! I'm going to come," I mumbled to myself and the world, utterly shocked by how quickly the orgasm was swelling up inside me. Angela pushed two or three fingers into my vagina and they became the focal point of my tightening muscles, muscles which began to pulse spasmodically. But that was just the start. I wailed as Angela finger-fucked me harder than any man had ever managed with his cock – and there was the added advantage of her hungry mouth lapping at my clitoris. I came again and again and again, only stopping when I strained something in my groin and it became too painful to carry on.

"Now," Angela said, draping her naked body over mine. "Show me what

you do with your fingers." This time I wasn't so shy. I rubbed Angela's clit and fingered her hot and slippery hole until

she stopped screaming and started snoring. Sleep proved impossible after such a wild encounter and I was a mess by the time I got to work the next morning.

"Do yourself a favour," Clara said, handing me the local paper. "Find somewhere, anywhere, and get the hell out of that house." I put the paper down, sipped my coffee and gave her a tired smile. "Oh my God. It was you. You were up shagging all night. Who was he?" Clara leant close in for all the juicy details.

I took my time. "You're assuming it was a 'he'," I said, using my best legal tone. I twisted my head and pulled my collar down to expose the bruise on my neck. "And in this case, you are in fact very much mistaken."

Is it my imagination, or does Miss Anastasia Black here have something of the young Julie Andrews about her? Not so much in profile but definitely from front on! We could certainly think of worse things we'd like to see come wheeling over a Austrian mountain towards us!

"It's funny you should say that!" she laughs. "When I was a girl I used to fantasize I was Maria in The Sound of Music! I used to drive my mum and dad round the bend singing all the songs!"

Well, we're certainly glad you didn't decide to become a nun as a result – an arse like that is much too fine to keep hidden under a habit!

If it's a bit of naughty slap 'n' tickle you're after from your top shelf magazines that's fine, but here at *Mayfair* we like to go in for something a wee bit classier than that – and to prove the point, here's a set of pictures of the stunning Zoi, the mixed Scottish/Greek beauty who made a welcome (and, it has to be said, overdue) return to our pages last year!

So of you've got any whisky or Metaxa to hand, why not have a little toast to Zoi's health!

A man was having a stroll along the beach when he came across a dusty old bottle. Picking it up, he rubbed it gently and was surprised to see a genie appear before him. "As you have freed me," the genie said, "I shall grant you one wish."

The man thought for a moment before replying, "I wish I could be hard all the time and get all the ass I could wish for."

The genie nodded, "Your wish is my command!" And with a wave of his wand and a flash of smoke, he turned the man into a toilet.

The bloke grinned and answered, "Premature ejaculation!" He announced, "I just came in my pants!"

One Friday night, the god of Thunder, Thor, comes down to Earth and assumes mortal form. Looking for a bit of fun, he goes to a singles bar and pulls a beautiful woman.

After a weekend of continuous and passionate lovemaking, Thor realises he has found his perfect woman and decides

son the dangers of drinking alcohol. He put one worm in a glass of water and another in a glass of whiskey. The worm in the water lived, whereas the worm in the whiskey quickly curled up and died.

The father turned to his boy and asked, "So, what have you learned from that, Son?"

The boy answered, "Well, it shows that if you drink whiskey, you won't have worms."

A bear and a bunny are sitting in a forest, both answering a call of nature. The bear says to the bunny, "Hey, do you ever have the problem of shit sticking to your fur?"

The bunny is disgusted by the question but replies, "No, I do not!" So the bear grabs the bunny and wipes his arse with him.

One night, a woman went to check on her baby and found her husband standing over the cot, watching the newborn with a look of pure emotion on his face, tears welling up in his eyes. She went over to him and slipped an arm around his waist, whispering, "Are you OK, darling? What are you thinking right now?"

He sniffed and looked at her with a look of wonder on his face, replying, "It's unbelievable, isn't it? I just can't understand how anyone can make a really sturdy cot like this for only £25."

While doing the Lord's work in darkest Africa, a missionary suddenly finds himself in a clearing face to face with a lion. Realising he can't hope to outrun the beast, he decided prayer was the only answer. Sinking to his knees, he started beseeching God to save him from the savage creature. Opening a sneaky eye mid-prayer, he's astonished to see the lion also kneeling, and seeming offering up a prayer to the Lord.

"A miracle! Thank you Lord!" blurted out the missionary. "Instead of this lion eating me, you've opened its heart to the Christian message and saved me!"

"Shh!" growled the lion out of the corner of its mouth. "Can't you see I'm trying to say grace here?"

A puppy hobbles into a western saloon, limps up to the bar and, with great difficulty managed to climb up onto a stool.

"Can I help you?" asks the barkeep.

"Yup," replies the puppy. "I'm looking for the lowdown son of a bitch who shot my paw."

"You don't find me attractive anymore, do you Eric?"

A bloke had been invited to a costume party, but was taking ages coming up with a suitable idea. The night of the party, he finally chose his get-up and went along to the venue. When the host answered the door, he found the bloke standing there with no shirt, trousers, socks or shoes on – just a pair of boxer shorts covering his modesty.

"Erm, what exactly are you supposed to be?" the host asked.

to reveal his true identity to her. He sits her down and tells her, "Darling, I must tell you... I am Thor!"

The woman looks at him and answers, "You reckon you're bloody Thor? I'm the thor I can hardly pith!"

Last month we were lucky enough to spend the day in a swanky London penthouse (ahem, excuse the language!), all so we could get a set of Holly here in a location that does justice to her natural beauty. The views over the city were spectacular, with boats going up and down the Thames and a clear blue sky shining down on the old city in all its glory. Still, when it came down to it, we really couldn't have given a stuff about any of that, because the views inside the apartment were in a different league altogether, featuring – as they did – the spectacular Holly Gibbons in, well, the altogether herself! We don't know about you, but there's only so much gazing at citiscapes we can take, especially when one of the most stunning girls in the land is playing with herself on the other side of the room. Frankly, we're rather astonished we even noticed the view at all!

Well she only made her debut in the mag a few issues back, but now that we've just had her in for another chance to ogle (*Ahem, surely you mean 'shoot'!* – Ed) we can safely say that Gina here's well on her way to becoming a firm *Mayfair* favourite! She's still a bit coy, but that tattoo have us plenty of opportunities to study her nether regions without arousing to much suspicion! Apparently it means "Love me" and, well Gina have to confess that after just two meetings, we already do!

Ah look – just to prove that there's still plenty of life on the old dog yet, here's another sizzling newbie to round off the issue – complete with fishnet hold-ups and a babydoll! And if that isn't one of the loveliest pairs of boobs we've seen in a while, we don't know what the hell is!

"Yes, I rather like my boobs too!" admits Megan. "I mean they're a nice shape, but the best part is how wonderfully sensitive my nipples are! I could play with them all day!"

Hmm, so could we, given half a chance...

MAYFAIR Movies

Nobody said it was easy being a hardcore porno reviewer, but surely there's no excuse for looking quite so shabby as our in-house scruff expert, is there?!

Harmony

STELLA COX NYMPHOMANIAC

CAST: Stella Cox, Lexi Lowe, Ash Hollywood, Lea Guerlin, Kira Queen.

Big-boobed British pornstar (of Italian extraction, we're led to believe) Stella Cox has certainly got a lot of things going for her, and is the deserved recipient of a Nymphomaniac flick of her own. And while viewers of her earlier films will be all too aware that she loves nothing more than a big cock to play with, this one opens with her fantasizing about a lesbo threesome – a fantasy which becomes a reality with Lexi and Kira. Lots of toys get a look in, and Stella's bum gets a priming – something which comes in useful in later scenes! There's plenty of variety in the remaining scenes, including a toy/cock DP, and the more conventional 2 cocks variety. Deffo one to watch, this, if the thought of a flamber with

big knockers taking cock every which way is the sort of thing to float your boat. And if it isn't, then what the hell's wrong with you?!

Digital Playground

HOT CHICKS BIG FANGS 2

CAST: Nikki Benz, Mia Malakova, Chanel Preston, Anna Bell Peaks, Riley Reid, Jillian Janson, Jessica Jaymes, Dillon Harper, Janice Griffith, Nina Elle.

OK, so this was clearly released with the Halloween market in mind, but we've got longish lead times here at Mayfair, and this is the first opportunity we've had to feature a review. You might think that perhaps we shouldn't bother, but then when a film's got a cast list that includes Mia Malkova, Jessica Jaymes and plenty of other DP hotties, we couldn't give a toss how topical it is! If you've seen the first instalment then there won't be too many surprises, but if not... well, Nikki Benz plays the lead vampire in a houseful of horny bloodsuckers, but thankfully they're adept at sucking more than blood. In order to attract the menfolk, they advertise for a sex party, and what do you know, loads of the saps turn up. They get the sex alright, but they also cop it at the end. Highlights include a terrific poking for Chanel Preston, complete with dirty talk, and a heartfelt gangbang featuring four girls and a couple of guys. Proper job!

Wicked Pictures

WET

CAST: Aleska Nicole, Annika Albrite, Krissy Lynn, Courtney Taylor, Veronica Avluv.

I don't know how much fun you manage to have in the shower, but Aleksa Nicole clearly isn't the sort of girl to pass up the opportunity to enjoy herself while she's getting a hose down. After slathering herself in lather she shoves a glass dildo straight up her jacksie. Frankly, though, it's not quite enough for the wanton mare – so it's a blessed relief for her when she's joined by a heavily tattooed woodsman who sets about shoving his prong into her every which way. Ooh, and look – she's a squirter, splashing off all over the place before he's finished with her.

★★★★☆

There's plenty more oily shenanigans in this lube and water-heavy feature, and a fair bit more squirt action as well, most notably courtesy of mucky Veronica Avluv, who's got to be one of the horniest MILF on the planet.

They've even thrown in a a goodly bit of backdoor fun in the last couple of scenes for good measure, courtesy of Courtney and Krissy, which makes this one of Wicked's more in-er-face offerings of recent times, obligatory johnnies notwithstanding. Grab your broly and get stuck in – there's plenty to like about this one.

□□□□□□□□

Busty babe Brooke might hail originally from London, but these days she's living in Bristol – a city which, quite frankly, couldn't be more appropriate, given her stupendous boobage! So was she drawn there because of its associations, we wondered?

"Of course not! Just because I've got nice boobs you think that's the reason why I'd want to live in Bristol?! No, I was going out with a guy who came from Bristol a few years back and, well, I just kind of fell for the place. It's one of the few cities in the country that's got a really unique vibe going on, and I felt like I was accepted there straight away. It's hard to put your finger on it, but you'll know it when you feel it!"

Hmm, OK, we'll believe you – although we wouldn't wonder if you weren't accepted anywhere you chose to move to! You'd certainly be made to feel very welcome if you ever decided to move next door to me!

"That's nice, but for the time being I'm a Bristol girl through and through!"

You certainly are!

MAYFAIR Classic

Angie, please pardon us
for being crude, but you
are bloody gorgeous!
*Thank you. I have
noticed this about
British people – you all
swear, even when you
are being nice to
someone! I think it is
very strange.*

Be careful when we sound
all polite, though.
*French men are the
same when they want it!*

ANGIE

PHOTOGRAPHED BY
LAURENT SKY

Then that must be the difference – we want it all the time!

Oh no, men are men. And it is not just men – women are... what is the word... 'horny'? Yes. Women are just as horny as men! But we have more imagination, so we do not swear all of the time!

We can't agree with you there. For instance, we can imagine some pretty amazing things right now.

So can I! All day I have been thinking about finding two men to take to bed tonight. I think I will find them in a quiet, expensive bar in London and bring them back to my hotel room. One will be blonde and one will have black hair...

Is hair dye expensive these days?

Do not interrupt – that really is rude! I will put one of them in the bath and the other one in my bed. I will have sex with the one in bed while the other one looks from the bathroom. Then I will go into the bathroom and have sex with him. And halfway through the night, I will swap them over and keep doing it to them...

Fancy coming for a quiet drink, then?

No, now I feel too rude!

MAYFAIR Classic

What's this, a bleedin' couturier getting her bits and pieces out in *Mayfair*? Stone the crows – either that was a bold career move on Angie's part, or else some Mayfair blurb-writer had a rather skewed vision of a typical French occupation. Either way, we rather like the idea of a French couturier called Angie who looked like this, so on reflection, what the heck!

Bugger me – at this rate it won't be long before we're all wetting our knickers over the next John Lewis Christmas advert on the telly! August's issue in the pipeline already?! Well, thankfully, we've got plenty more treats to dish out before the evenings start to draw in properly, not least the most welcome return of two of *Mayfair's* favourite babes in Chloe Toy and Tommie Jo! So if you like your babes busty or hard-bodied, you're sure to find something to tickle your fancy next issue – and if you don't like either of those options then I don't know what you're doing here in the first place!
